

Please join us for a **COMMUNITY DIALOGUE**

Wednesday, November 28, 2018
6:00 p.m. – 8:00 p.m.
University of Maine
Hutchinson Center
80 Belmont Avenue, Belfast

With the election behind us and the permitting process under way, we want to continue our dialogue with the people of Belfast. After a brief update on the project, we'll turn the meeting over to your questions and concerns, which you will be able to offer personally or on index cards.

We want our salmon farm to be a project that benefits the whole community, and we welcome your participation in this informal discussion.
