

# **NOTICE TO BIDDERS – INVITATION TO BID WASTEWATER COLLECTION AND TREATMENT SYSTEM**

The Lincolnville Sewer District will receive separate sealed Bids for the expansion of their existing sanitary wastewater collection system and construction of a new treatment facility in the Town of Lincolnville, Maine. The work consists of installation and testing of collection system piping, manhole structures and grinder pump stations, modifications to one existing pump station, installation and testing of pre-purchased wastewater treatment equipment, and all site, mechanical, structural, electrical, HVAC, plumbing and controls associated with the new WWTF. A non-mandatory pre-bid conference will be held at the "Issuing Office," Woodard & Curran, at 41 Hutchins Dr, Portland, ME Attention: Julianne Page, at 10:00AM on Thursday, February 21, 2019. Bids will be received on behalf of the District until 1:00PM local time on Wednesday, March 6, 2019, at which time the Bids received will be publicly opened and read at the Issuing Office. The Contract Documents may be examined, and copies may be obtained at the Issuing Office starting on Thursday, February 7, 2019. An electronic copy of the Contract Documents is also available from the Issuing Office at no charge. If required, paper copies of the Contract Documents are available at the Issuing Office location for a fee.

**Contact Julianne Page at 207-558-3716 or via email at [jpage@woodardcurran.com](mailto:jpage@woodardcurran.com) for inquiries regarding this project, including obtaining a copy of the Contract Documents.**
