

## **Local Service Rates For Telephone Service**

UniTel, Inc., is a telecommunications provider who provides basic and enhanced telephone services and access to broadband services within its service territory. Basic telephone services are offered at the following rates and charges:

	Monthly Service Charge
Single Party, voice grade residential service, Including local usage	\$17.58 - \$19.08
Single Party, voice grade business service, Including local usage	\$35.17 - \$38.28
Federal Subscriber Lines Charge – Single line	\$ 6.50

Touch Tone service is provided as part of the local service rate. Broadband services are offered at several speeds. Please call the customer service office to learn more about broadband packages.

Customers have access to long distance, directory assistance, and operator service providers of their choice, at rates established by those carriers. Emergency 911 Services are provided and a surcharge is assessed at governmental rates.

### **Lifeline Services**

Low Income individuals may be eligible for the Lifeline telephone assistance program which provides discounts from the basic local service and broadband charges through specified governmental programs.

Lifeline is a government assistance program. The service is non-transferable, only eligible consumers may enroll in the program, and the program is limited to one discount per household. Toll blocking is available at no charge for low income customers that qualify.
