

Private Home Care, Inc.

Personalized In-Home Assistance

A local care agency in Belfast, helping individuals remain in their own homes safely, is hiring for caregiver positions.

We provide 3-24 hours client care, and offer flexibility to our employees (to fit their lifestyle and schedule). PHCI is state registered, and does not provide licensed medical care. Our caregivers come from an array of background experience, from teachers; social workers; child care; real estate; florists; waitstaff, and retirees, to CNAs, OT, and retired nurses. Many of our employees have also provided care to family members. And we always provide training for our staff.

We would love to have you as part of our team, helping us to make a difference in people's lives, and in our community.

Please call our offices at 207-338-2100
