

Nancy Leonard
owner of Leonard's.

For twenty years I've been furnishing fashions for women. I am a year round clothing boutique and have everything a woman needs to outfit from head to toe, for both casual and formal occasions.

Leonard's also has a great selection of jewelry and accessories for all occasions at affordable prices. From one-of-a-kind pieces to designer lines made of precious metals and gemstones. This is a perfect shop to find a unique gift or dress up an outfit.
