

# NOTICE OF A PROPOSED DEVELOPMENT IN THE FLOODPLAIN

The Town of Freedom is requesting financial assistance under the Community Development Block Grant Special Projects Program for a project known as the Skidgel Warehouse Superfund Site.

If implemented, the proposal will remove the demolition debris from the site, including two cellar hole foundations, and transport it to the Norridgewock Landfill. The purpose of this notice is to inform the public that the proposed project is partially in, or impacts a floodplain. Therefore the Town of Freedom is conducting a floodplain evaluation to determine if there is a practicable alternative to this proposed development by considering alternative actions, and potential mitigation to minimize impacts, and restoration or preservation of the site.

Information on the proposal is available through the Freedom Town Office. If you have questions, concerns or comments, please call the Town Office at (207) 382-6177 Monday from 9:00 AM to 6:00 PM, and Tuesday through Friday from 9:00 AM to 2:00 PM. You may also email the town office at [freedomclerk@yahoo.com](mailto:freedomclerk@yahoo.com)
